# September Drive-In Meet

In August we only had one C4 in attendance! So, Ed Atchley brought his 1995 Red Coupe and Vic Pacheco came with his 1989 Dark Metallic Red Coupe

Ken & Linda Dobbs, a masked Jim Pagana and Mike Kmita arriving in his White 1984, that is no longer the only C4 at the meeting.

Rare member sightings... Leslie Mello, Gary Spurlock, Larry and Jan Dyer. Tom Entrekin, on the right, is not a rare sighting.

Mack Rogers, Julia Kelsey, Mary Jean Entrekin and Pat Cople

Dennis Conte enjoys his sandwich in front of his Jewel Blue/White 1961

## CORVETTE LEGENDS OF TEXAS SEPTEMBER CRUISE-IN MEETING NOAH'S EVENT CENTER PARKING LOT FAIRVIEW, TX September 12, 2020

At approximately 6:00 pm, 40 members and 29 vehicles were socially distanced at the Noah Event Center parking lot. Also, most if not all, arrived following guidelines for being "masked" – Big Thanks to everyone for that! Actually there were 26 Corvettes (3 members left their Vettes at home). Every Corvette class was represented. We again got to admire the Hefner's new C-8. Jim Pagana reported that the Weekend Wrench team is helping with restoration of his '62 Vette.

The word is out about this venue, and everyone enjoyed this time to catch-up during this extended time of isolation due to Covid-19. Members brought their chairs. The club provided deli sandwiches, chips and drinks. Bill Preston provided delicious homemade dessert bars to complete the menu. The parking lot was well shaded, and a gentle breeze made for an enjoyable evening.

A very brief club meeting was conducted by President Sam Denault.

Jerry Echols reminded us that the State Fair has been cancelled, so the club can remove that event from their calendar.

*Cindy Dumas arrives in her C6 Red Coupe. Vince drove his 2015 Z06...*

Bill Preston brought us up to date on the Calendar project that he and Diane initiated as a fund raiser for Patriot Paws. Ads have paid for the printing of 1000 copies of the calendar that features Legends Members' Corvettes each month, along with the photo of a Veteran and their Patriot Paws Service Dog. Since the Pate Swap Meet has been cancelled, contributions and distribution of the calendar is now the responsibility of club members. Dennis Conte posted the calendar on his community website and had already collected \$700 dollars in contributions for 33 calendars to his friends and neighbors. Now going to depend on every club member to follow his example and solicit donations for Patriot Paws and provide a calendar in exchange for a \$20 donation (or more). We suggest that each member set a goal of obtaining 20 donations. The club doesn't plan to mail calendars unless a \$5 mailing charge is included.

Joel Joseph reported that he has reserved the Noah's parking lot again for the Corvette club use for the October meeting.

Dennis Conte finalized a road trip to Gainesville and back, with lunch break at a park in the area, for Saturday, October 17. Check the October Newsletter for details.

Thanks again to Susan and Joel Joseph for arranging this venue. Thanks to the Prestons for arranging and picking up the food and to Deneaults for bringing drinks. Everyone had a good time, and we all look forward to the next time.

*Submitted by Pat Cople, club secretary*

*Rare Member Sighting... Ken Weller returns after being quarantined on the California cruise ship at the beginning of the Pandemic... Glad you made it!!*

*The Seberts arrive!!! Don brings their 1975 Red Convertible and Jeff drives the 1966 Blue Coupe.*

*Tom Atchison and Ken Weller look over new-member John McIlvoy's beautiful Black and Silver Fuel-Injected 1957.*

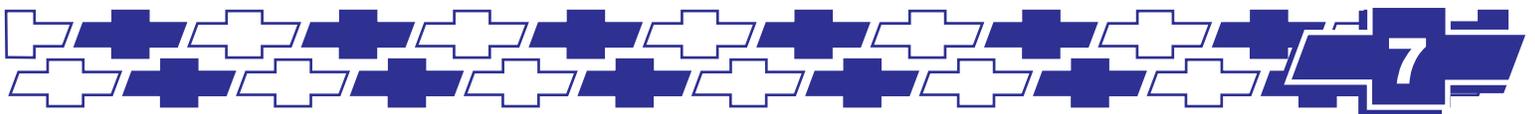

*Fay & Bruce Jarrett*

*Tom Atchison, Mark Elliott and Fred Hagar*

*Visitors Tuesday and Wick Hefner brought their White C-8 again this month for us to enjoy. Thanks!*

# Bloomington Gold 2020 Road Trip

by Jo Ann Brumit

KARLEE KLASSIC AUTOS had just completed a body off restoration of the newest 427/435 1967 in the Brumit Collection. We were determined to have it judged in 2020. COVID seemed to dictate otherwise, NCRS judgings were all canceled, but Bloomington Gold was a go!

Lee, JoAnn and their team boarded "Bumble B" a motorcoach with trailer in tow, and headed to Indianapolis. Their first road trip!

The Bloomington Gold had been relocated from Indianapolis Motor Speedway to the home of the Indianapolis Colts inside the Lucas Oil Stadium.

Day 1 – The late start and extreme rain extended the schedule (dinner-pizza on the road/ bed 1:00AM)

Day 2 – Lee became sick with a 48hr virus – We were thankful for the traveling bed. We missed Thursday's car move-in time slot! Thankfully we were given until 7:00AM Friday to have the car in place. We needed rest and food, but "no room in the RV park" for the trailer and coach. We disconnected and secured the trailer, then parked Bumble with slider out for sleeping.

Day 3 – Judging Day!! -Team is up early, but not Bumble B! The slider will not retract and she is not moving! We were 20 minutes away from Colt Stadium, site of the judging, with no way to get the Corvette there.

The saying is, "If there is a will, there is a way." In this case, "If there is a fisherman with a truck with a hitch, a flatbed wrecker, and judges willing to extend the time, there is a way!"

The fisherman loved the 67' Corvette and the warm cinnamon bread we gave him!

The wrecker driver was a "car" guy and took special care to load the Vette without damage. The judges remarked, "It was the first time a car arrived on a wrecker to be judged!"

## OUTCOME:

**The 427/435 '67 Corvette is now a social media star!**

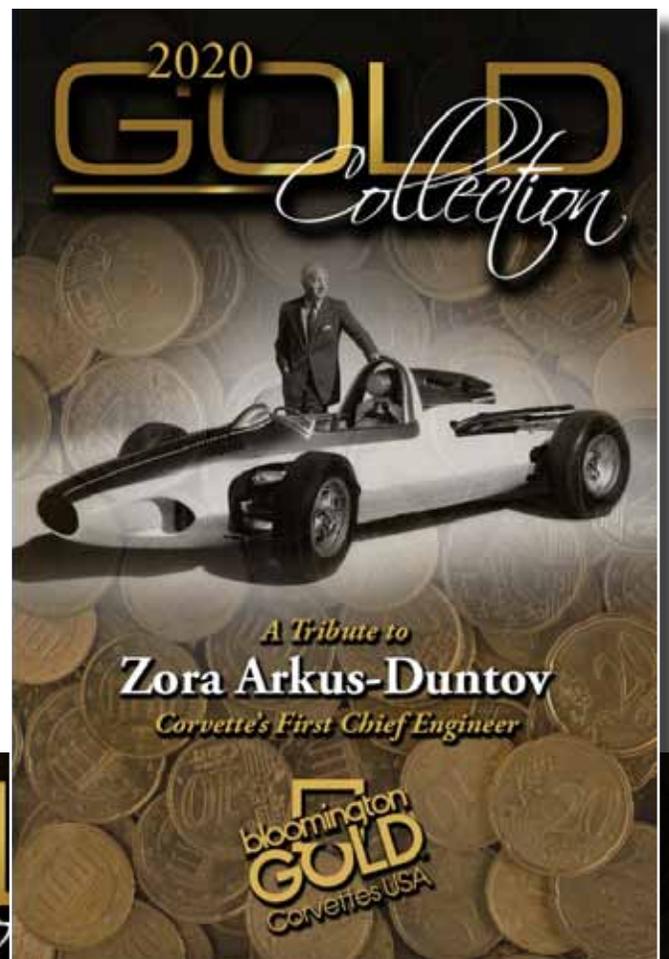

While she made Gold with a 100 points to spare, her hood got "boxed". Which means she could be perfect but because the stinger and hood were not perfect, we could only be awarded a Silver! (NCRS judging would have only deducted points) As Lee likes to say, "You learn from your mistakes, not from your successes".

Certification Pictures, hood comparisons, etc. can be viewed on Wise Guy's 2020 Certification Field Recap; Corvette Blogger; etc. <https://www.corvetteforum.com/forums/c1-and-c2-corvettes/4446176-bloomington-gold-67-big-block-hood-stripes.html>

Every year at Bloomington Gold there is a special collection of Corvettes on display. This year's collection was put together in honor of the Grandfather of the Corvette, Zora Argus-Duntov. Each car in the display was somehow significantly influenced by Zora and all have a fascinating story.

You can go online to [BloomingtonGold.com](http://BloomingtonGold.com) and click on the 2020 Gold Collection Program to read about each car.

# What's UP WITH OUR Members

What are  
**YOU**  
doing?

At a recent Wrench session, --> we gathered at Ken Dobb's house. Len Woodruff's wife, Beth, baked us some very delicious monkey bread and we enjoyed that with coffee. Then we waxed Mike Kmita's Vette. We waited for a fly to land on the hood so we could watch him spin around and slide off and kill himself. The hood was so slick. It was a fun day.

<--Jim Pagana's 62 gets carburetor work and a good polish and it's ready to show up at our next event. Jim!!! We are all ready to finally see your Vette! Left to right: Jerry Echols, Sam Deneault, Mike Kmita, Len Woodruff and Ken Dobbs.

At another session everyone went to Jerry Echol's house to try to fix the door lock on his Maroon 1966. We couldn't fix it, so Jerry didn't have to buy us lunch.

The Wrench Crew is Sam Denault, Len Woodruff, Jerry Echols, Jim Pagana, Mike Kmita and Ken Dobbs. Let Ken know if you want to join in or have them come help you (972) 896-4611.

## For Sale

### 1962 Corvette Convertible - \$64,900

This gem has been completely restored. Its original fawn beige color is the same as that of a Corvette featured in the '60s TV series "Route 66". A new 350 engine and Hurst shifter were installed during the restoration. Included with the car is its matching hardtop. The car has been driven about 3,200 miles since it was restored, won many local car show awards, and has always been garaged. The car is fun to drive and is guaranteed to turn heads and elicit conversation. We have documentation of the restoration process, which is readily available for inspection.
