WHAT YEAR AM I,

by John Spencer

Answer on page 10

1. I am modeled after the Stingray race car and carry its name on the front and rear Corvette emblems.
2. I have a newly designed twin cowl dash. My emergency brake is operated by an under dash pull.
3. I have hidden headlights above an egg-crate grill.
4. I have a one light rear window.
5. I have three gill-like vents on my front quarter panel but no vents on my roof pillar.
6. I have finned knock-off rims.
7. I have side pipe exhaust.
8. I am powered by a 427 cu.in. engine, identified by my front fender badge.
9. The scoop on my hood has grill-like trim along its sides.

**CORVETTE LEGENDS OF TEXAS
GENERAL MEETING--September 14, 2024
BJ's Brewhouse Restaurant, Addison**

The members of Corvette Legends were called to order by VP-Special Events, Tom Hubbert (substituting for Sam Deneault), about 12:10 pm. Attendance was recorded as 59.

Guest: Virginia Fortney, guest of Jerry Fernandes

Lady Legends Winner: Mary Jean Entreklin

50/50 Pot Winner: Tom Schipper (\$62)

Meetings: Oct. 12-Spring Creek BBQ in Richardson.

Nov. 9-Outback Steak House in Plano.

Dec. 14-Prairie House in Lewisville.

We had a guest speaker. Justin Husman of Phoenix Insurance talked to members about insurance. He told of the types of insurance, the good and bad, how and why rates can vary. He didn't go into a lot of detail but he was very informative. He also told us and invited members to a car meet held at the Garages of Texas in Carrollton (2323 Tarpley Rd). The meet is held the first Saturday of every month from 9-11AM.

Tom Hubbert reminded everyone of the VanAlstyne estate tour and G2 Motorsports park event on September 21.

Ed Atchley invited all members to their annual Halloween party on October 19 at 8PM in Richardson. Please RSVP to Ed and Kimberly.

The Texas NCRS Flight Judging will be Fri. & Sat., Oct. 18 & 19 at Embassy Suites, Frisco (7600 John Q Hammons Dr).

Judging will be for 1953-2007 cars and newer cars will also be on display. The Solid Axle Corvette Club will have a display of one of their member's Vettes in the lobby of the ballroom where the NCRS judging will be held. They will be signing up new members for both the Solid Axle Club and Legends. Robert Cotner or Diane Preston can supply more info.

Sulphur Springs Corvette Show will be Fri./Sat., Oct. 25 & 26. Club members have attended this show in the past. They have made some changes so that the club can now park together at the show. It's a judged show with trophies/plaques awarded to all winners. There's no pre-registration. It's on-site registration with a \$30 fee.

Sharon Conde, Debbie Garrison & Cathy Hubbert are starting the planning for the Jan 11, 2025, After-Holiday party. If you have suggestions or would like to help, please contact them.

Club officer nominations will be in November. Elections in December. Tom Hubbert will run for President, Dan Jacobs will run for VP/Special Events. Other members are encouraged to run for any office. The meeting was adjourned at 12:47 pm.

Estate Tour and Laps at G2 Motorsports Park

Corvette Legends of Texas was invited to a unique event on September 21 to tour a 52-acre property in Van Alstyne for lunch. It was hosted by Luann Clancy-Flaherty of Hershenberg Group Realtors. Lunch was served in the house and we were free to look all over the home and fantastic detached muscle-car garage.

We had almost 50 Corvettes meet at BUC-EE's in Melissa, TX. Lone Star, CCT and North TX Corvette Clubs were represented. We gathered at the north end of BUC-EE's where the gas trucks fill the tanks. We had to scoot out of the lot earlier than planned because a gas truck arrived. We caravanned from there to Anna, where we waited for the rest of the Corvettes to catch up. Then we drove thru the countryside to the property located at 5200 County Road 429.

Lunch was served in the beautiful house, where we found all sorts of comfy places to sit and eat inside and outside around the pool. We were free to look all over the home and fantastic detached, fully-equipped, muscle-car garage during our stay.

Below is a link to the property in Van Alstyne, which is listed at \$6,100,000. It is on 52 acres and has a 5,500 sf luxury smart home with a true resort-style pool area and a 6,000 sf high-end workshop with 1,500 sf of living space in the Man Cave. You can look at pics at: https://www.zillow.com/homedetails/5200-County-Road-429-Van-Alstyne-TX-75495/249769612_zpid/

Then we took a short drive to G2 Motorsports for a tour and lead/follow laps around the newly-completed track. We signed up for laps in the club house, which offers great views of most of the track. Track-side condos are being completed on the south side of the track. Garages are already available near the club house.

A really convenient location for you racers!

G2-Continued on page 9

Ed Atchley and Judy Bailey sign their waivers in the G2 Club House before driving their laps.

Our event organizer, Tom Hubbert, "appears" to be leading the pack in his 1962, during their laps at the G2 Track. Thanks Tom for all your work to put on this great event... now just get off the track!

Let me start this by saying I have been on all six prior Caravans to the Corvette Museum. Due to the lack of communication and organization this was the most difficult.

The Caravan for Corvette Legends started Monday at the Cracker Barrel Restaurant off I-35 North in Denton. We had nine cars starting. We headed out to El Reno, Oklahoma for lunch at Frontier Chevrolet.

There we were given our credentials and a BBQ lunch. We were told after lunch there would be a short meeting explaining that the group of approximately 250 Corvettes would be divided into three groups for ease of caravanning. This meeting never took place, so the exit was confusing at best. We drove from El Reno to Tulsa for our overnight stay at the Marriott Southern Hills.

Tuesday morning, we drove to Springfield, Missouri for lunch and fueled up our cars. Leaving Springfield, we drove to Cape Girardeau, Missouri, on the Mississippi River. Arriving in Cape Girardeau, most of the Caravan went into the downtown area where there was a Corvette show. Others went directly to their hotels. The Legends group remained together and walked next door to the Outback restaurant for food and adult beverages.

Gary Williams and Dan Jacobs left Cape Girardeau before the Caravan that morning, so they could get to the Corvette Assembly Plant for their scheduled tour that day. Brenda Jacobs and Cheryl Williams stayed and drove with Bob and Millie VanGuilder, who required a tire specialist to repair a flat tire before leaving. The rest of us arrived at the planned meeting place, at Menards, to an empty lot. Bill called our leader to find out he changed the meeting place to the local park, so off we headed. At the park other Caravans arrived from other parts of the country and approximately 800 to 1000 Corvettes sat in queue to begin the final leg of our journey.

As cars started leaving, we arranged our cars trying to stay together. Once we hit the highway all organiza-

tion appeared to fall apart, with small groups trying to stay together. We drove into the Bowling Green, Kentucky, Museum parking lot about a dozen cars at a time.

We were now on our own to participate in the planned Caravan activities or go to local events and attractions! While a group of us were going through the museum Bill Tichy and I ran into old friends, Bob and Sue Best, who we knew in Connecticut. They had been with us on the original Caravan. I hadn't seen them, since I left Connecticut over 22 years ago. You never know who you'll run into on a Caravan!

Our group stayed in Cave City, Kentucky, about 30 minutes north of the museum. There we would meet in the room off the registration desk, where we discussed plans for the next day and enjoyed adult beverages.

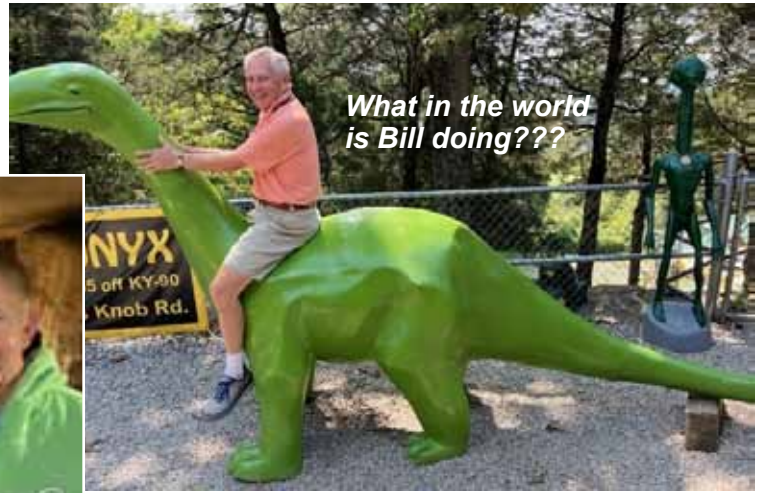

The next day some of our group went to a cave (not Mammoth) to explore the underground, while I headed to Nashville to go to the Lane Motor Museum. This museum had some of the most unique motor vehicles I have ever seen. That night some folks went to the dance that was on the Caravan schedule. Can you find Jan & Kerry Smith dancing in this huge ballroom? *Continued on page 9*

Bill and I want to thank all participants in this years' Caravan: Kerry & Jan Smith, Greg & Judy Bailey, Mike Kmita, Jim Pagana, Scott & Amy Winn, Bob & Millie VanGuilder, Gary & Cheryl Williams and Dan & Brenda Jacobs.

NOTE: The after-Caravan trip was changed, for various reasons, for all except Greg & Judy Bailey, who went all the way to the Henry Ford Museum. Ask them about that experience.

What in the world is Bill doing???

Bob VanGuilder, Jan Smith, Millie VanGuilder and half of Brenda Jacobs enjoy the "Corvette Midway" at the National Corvette Museum, where all the vendors and activities were held during the 2024 Caravan.

One of the unique cars at Lane's Auto Museum. What makes this car unique is the two boxes over each fender which stored the fuel for this car... COAL!

Answer: I am a 1966 Corvette.

What detail defines me as a 66 ?

1. The 1963 thru 1967 (midyear) Corvettes are commonly known as the Corvette Sting Ray. Unlike the race car which spelled Stingray as one word the mid-year Corvettes separated the name into two words "Sting Ray." No one knows why. The tell here is the front and rear emblems. Only the 1966 displayed the Sting Ray Corvette badge on both the front and rear, all others displayed this badge on the rear only.
2. All mid-year Corvettes had the Dual Cowl dash. This design was met with a lot of acclaim. It displayed large round gauges easily read and unobstructed by a deep dish steering wheel. The under dash emergency pull handle was replaced by a center console lever in 1967.
3. All mid-year Corvettes have hidden headlights. This will remain a signature trait of Corvettes through 2004. The egg crate grill appeared only on the 1966 & 67 Corvettes.
4. The single pane rear window was a characteristic of all midyears except the 1963 (aka - the split window Corvette).
5. The front quarter panel vents were changed from two scoop-like (non-functional) vents to three gill-like (functional) vents in 1965 and then a five gill array

in 1967. The vents on the roof pillar were deleted in 1966.

6. Finned aluminum knock-off rims were introduced in 1963, but not available until 1964. they were replaced by a bolt-on, look-alike rim in 1967. It is recognizable by its center cap.
7. Sidepipes were introduced in 1965 and available on midyears through 1967.
8. The 396 cu.in. powerhouse introduced in 1965 was replaced by the 427 in 1966.
9. The hood scoop (or bulge) indicative of the Chevrolet big block engines (396 & 427 cu.in.) appeared in 1965 and 1966. It was replaced in 1967 by a hood scoop and stinger in 1967.

Kenneth David Weller

Ken Weller of Highland Village, TX age 78, passed peacefully on September 14, after a long battle with cancer, with his family by his side.

Born February 11, 1946 to Kathryn and Delmar Weller in Pottstown, PA, Ken graduated from Pottstown High School in 1964. He met his future bride, Kathleen Walck, through a blind date set up by mutual friends.

They were married May 11, 1968 in Allentown, PA and went on to have three children Christine, Jennifer, and Scott. They were married for 51 years until Kathy's passing in 2019.

A true patriot, Ken enlisted in the Navy in 1968 and was stationed on the USS Canberra where he was a Fire Control Technician.

After serving his country, Ken enrolled in Penn State where he graduated in three years with a bachelors degree in Accounting. A die hard Nittany Lion, he made many friends through the local alumni association.

After graduation, Ken worked for Occidental Corpora-

tion in their King of Prussia, PA and Dallas locations for 36 years.

Ken was very active in the community as a volunteer for the Highland Village Policy Auxiliary, Rotary Club, Corvette Legends of Texas, and the Ladera neighborhood. He loved to travel, drive his Corvette, and spend time with his family and friends, with whom he was known to enjoy the occasional Manhattan and fine cigar.

He is preceded in death by his wife Kathleen, parents Kathryn and Delmar, and brother Gerald.

He is survived by his three children, Christine Weller of Lewisville, Jennifer (Mark) Potter of Highland Village, and Scott (Courtney) Weller of Flower Mound; grandchildren Hunter, Katelyn, Brooke, and Emma; brother John (Mary Ann) Weller of Seville, OH; and many loving nieces and nephews.

In lieu of flowers the family asks for donations to be made in his honor to the American Cancer Society.

The family wishes to thank Dr. Park with Texas Oncology for providing amazing care to Ken, as well as the attentive staff at Aspen Hospice and Rambling Oaks keeping him comfortable.

Services were held 2 pm on Saturday, September 21st at Faith Lutheran Church, 6000 Morris Road, Flower Mound, TX 75028
