Not Corvettes!

by Ken Dobbs

Sam Deneault, Len Woodruff and I went to Jerry Echol's and took the starter and fuel pump off his 66 Corvette. Then we went to the parts store, picked up the starter, but the fuel pump was not correct. We installed the starter and he ordered a new fuel pump.

We went back the next day and installed the fuel pump and it started right up. We got lucky again!!

Jerry loaded us in his big truck and took us to Sherman for burgers that were really great. It was fun.

NCRS Judging

Lee & Jo Ann Brumit's rare 4-speed L88 1978 Pace Car with factory installed CB received a Top Flight Award.

October 23-26 NCRS judging was held at Embassy Suites in Frisco. There were plenty of Legends members there to judge, have their Vettes judged and just enjoy the spectacle. Kathryn was there with Joe Maulsby who was being a judging observer. Bob Demmel was judging C-3 class and Sherry Demmel was busy there too, as usual. Although former member Ted Boyer sold his 62 Vette many years ago, he was drawn there. Maybe he'll get another Corvette!

Gil & Peggy Rasco's 1966 Blue Coupe, that they just finished three days before the show, received a Second Flight. Jeff Sebert's 1966 Blue Coupe scored 93.4 and 1975 Red Convertible scored 93.2. Brumit's 1978 Pace Car received a Top Flight. Gary Hardy's 1967 Maroon Convertible was awarded Second Flight with 89.4 points.

Sulphur Springs Corvette Show

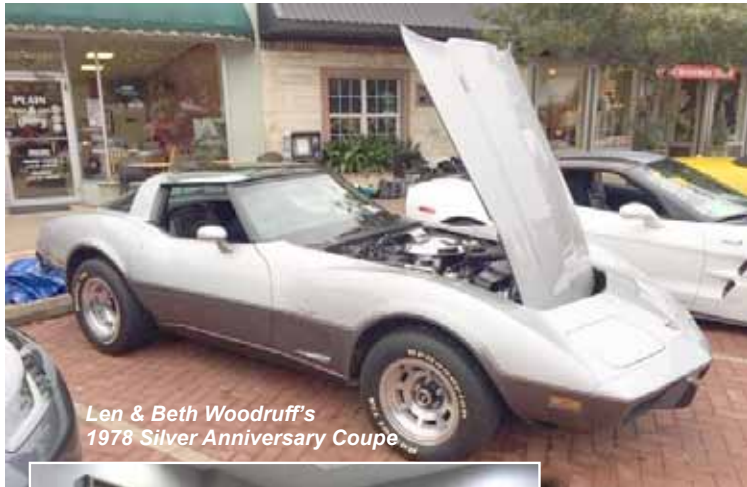

The Annual Sulphur Springs Corvette Club show is alternately held on a fabulously glorious weekend, then a REALLY yukky, rainy weekend. This was the year for the rainy weekend. Lots of our Legends members are weenies and stayed home, but the tough ones had a great time.

The Friday evening reception was held at the new host hotel, the Clarion Point. There were great door prizes Friday night. Al and Barb McDonald won a Framed Picture of the Courthouse. Al Lisbona won a fender cover, Mary Anne won a Chick-Fil-A breakfast coupon. The hotel rooms at new host hotel, Clarion Point, were very nice. On Saturday Tom Entrekin and Don Eckhart judged Sulphur Springs cars. All our members won a Top 50 Award. Len Woodruff won the \$500 cash prize and Don Eckhart won the \$250 cash prize.

Attending were: Don Eckhart and Denise Iverson, Mary Anne & Al Lisbona, Al & Barb Macdonald, Len Woodruff, Ken & Linda Dobbs, Tom Entrekin, Sam Deneault and Victor & Gloria Feeny.

Victor Freney accepts his Top 50 Award.

Huffines Chevrolet Previews

C-8 Corvette

John Cantleberry looks so proud that you'd think he had already bought this C8 Corvette!

The highly anticipated 2020 Chevrolet Mid-Engine Corvette Stingray began making appearances at Chevrolet dealerships, before it officially goes on sale. This U.S. tour gives enthusiasts around the country an up-close look at the first-ever production mid-engine Corvette--offering a new standard of design, performance, technology and craftsmanship.

The tour included a hands-on look at the new Corvette as well as numerous interactive displays. At these events, vehicle specialists hosted customers interested in learning about the new mid-engine supercar, display customizable parts (seats, wheels, accessories, etc.) and teach people how to personalize their own Corvette.

We were fortunate to be able to enjoy this special display at Huffines on Tues., Oct. 29. It was a rainy, weekday evening, just a few days after the highly publicized Saturday appearance at another metro dealership. There, over a thousand people were hustled through to get a glimpse of the new Vette. Conversely, we enjoyed being able to sit in the car and take our time reveling in the long-awaited 2020 Corvette.

Beth and Len Woodruff get the feel of the new Corvette.

Carl Johanson takes a look at all the seat options for the new C8.

Everyone had to try the C8 on for fit. Bill Preston had said he should get a C8, if he survived his heart surgery. Diane said NO! In the background is the display of the wheel choices, paint colors and other options.

Kathy Weller

Kathleen Mary Walck Weller, of Highland Village, TX, passed away November 7 at the age of 72, with her family by her side.

Kathy was born December 30, 1946 in Allentown, PA to Kitty Minall and Luther Walck. A 1964 graduate of Dieruff High School, Kathy immediately pursued her passion of caring for others by attending the Allentown School of Nursing, graduating in 1967. She worked at Penhurst State School and Wernersville State School until relocating to Highland Village Texas in 1991. She continued to follow her passion for nursing by working at the Denton State School until retiring in 2006.

She was married to the love of her life, Kenneth Weller, for 51 years. Together they enjoyed traveling all around the world and taking family summer vacations to Destin Florida.

Kathy is survived by her three children: Chris Weller; Jennifer and Husband Mark Potter; and son Scott and wife Courtney; four grandchildren, Hunter, Katelyn, Brooke and Emma; her sister Lucille and husband Bill Newhart; and brother Tom and Carol Walck. She is preceded in death by her parents.

In memory of Kathy the family asks for donations to be made in her name to The Oasis Program, First Baptist Church of Lewisville, 1251 Valley Ridge, Blvd, Lewisville, TX 75077.

Emily owns www.lightworxstudio.com, and takes excellent pictures of peoples' cars. I would like her to come up here, from Austin, to take pictures of my car. She would charge me a \$175 fee to come to just do me, but if I can get other Legends to have her take pics of their cars, she will waive the fee. I have a price sheet.

Please go to www.lightworxstudio.com, and let me know if you are interested in having your car photographed with this amazing light painting procedure. It has to be done at night. If I can get a few people interested, we can decide on a date to do it.

Please call me to discuss joining me in doing this. **Greg Hurlburt**, 214-682-7764 or gghurlburt@gmail.com
