# Stingray Registry Oregon Odyssey

by Doug Jones

**Legends member Jerry Echols has driven his 1966 Convertible on each of these trips since 2008 with his brother-in-law, wife Barb or son Jodie riding shotgun.**

Those of you with newer Corvettes (C5s, C6s or C7s for instance) are able to hop into them and speed off at a moment's notice. Most likely you will arrive at your destination in short order, smelling fresh as daisies.

There is another group of Americans who travelled in more primitive vehicles with considerably less horsepower. Six months on the road, enduring disease, injury and death, brought them to new homes near the Pacific Coast from which they never looked back. In a virgin territory they created new lives and sought prosperity after joining the honored American tradition of westward migration.

Somewhere in the middle you'll find me, in my slightly less primitive '65 roadster.

Early in the new millennium a Tribune article caused me to list important details about our car on StingRayRegistry.com for the benefit of some future owner. Subsequently, the creators of the site (for mid-year Corvettes exclusively) sent out a broadcast message inviting the membership to participate in a Route 66 tour. Included was a lengthy and very complete itinerary of the planned trip. Somehow I managed to sell the spousal unit on this adventure.

In April of 2008 nine couples (with nine Corvettes) from scattered parts of the country met in Chicago at Lou Mitchell's early on a Sunday morning for breakfast and a photo op at the historic start of Route 66 (Michigan & Jackson). We stared suspiciously at each other across the tables, expecting that some of our fellow travelers were stiffs, or worse, weirdos. During the course of 2 ½ weeks on the road, our caravan maxed out at 14 cars and we ended up on the Santa Monica Pier, tearfully hugging and pledging to do it again.

Pretty much every year since, elements of this intrepid group, along with some recruits, have taken a road trip

in our  
50+ year old  
Corvettes, enjoying  
America and savoring contact  
with appreciative classic car fans wherever we go.

We have toured every inch of the Pacific Coast and the Mississippi River. We have roamed around Michigan and some of the Great Lakes; explored the Lake Tahoe area as well as national parks in Montana and the Dakotas. After discovering alliteration we did the Dixie Dash, the Desert Dash and the Texas Trek. (*hosted by Jerry & Barb Echols and included displaying in the State Fair of Texas Corvette Corral with Legends*)

Most recent was the Oregon Odyssey, during which we visited stunning natural wonders, revisited coastal areas first seen on the Pacific Coast trip and learned about those brave settlers who trekked the Oregon Trail, their highway to a better future.

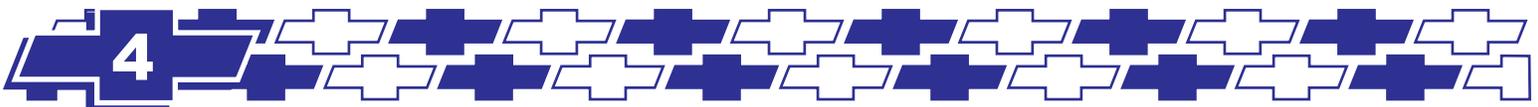

We straddled their wagon ruts and hiked some ground covered by those pioneers. We toured the Hanford reactor that provided plutonium for our explosive final victory in World War II. We visited the LIGO installation where lasers are being used to measure fluctuations in time and space, confirming Einstein's hypotheses and opening new doors with the application of pure scientific research. In summary, the group members who organized this trip gifted us with very cool views of the past, present and the future.

Round trip mileage from our home in Cave Creek, Arizona was 4,300 and we made good use of the aftermarket A/C, overdrive transmission, quick-ratio power steering & brakes, stereo radio and multifunction rear-view mirror. In spite of these modern improvements, Mary and I are reminded each year of what it would be like to share a coffin for all of eternity.

Through the years changes in our group's lineup have occurred, dictated by advancing age, health conditions, the trading of old cars for newer models, the addition of new friends and the departure of some old ones. Just like Lewis & Clark, our little corps of discovery marches on, demanding separate checks at every meal.

2019 will see us assaulting the Gulf Coast during the annual Cruisin' the Coast events, among other activities and explorations.

Whether we finish that trip with our "fresh as daisies" smell intact remains to be seen.

## Susan Conte

*March 18, 1948-December 18, 2018*

Susan Ellen (Burkhardt) Conte, age 70, of Savannah, Texas, passed away Tuesday, December 18, 2018. She was born March 18, 1948, in Hackensack, New Jersey, to Victoria (Jeblecki) and William Burkhardt. Susan married the love of her life, Dennis Conte, in Washington Township, New Jersey, on June 27, 1970, and they had two wonderful children.

Susan leaves to cherish her memory, her beloved husband, Dennis; her daughter, Michele Dykes and her husband, Christopher, of Little Elm, Texas; her son, Michael Conte of Austin, Texas; and her precious granddaughter, Reagan Dykes.

She was preceded in death by her parents, Victoria and William Burkhardt.

Susan was passionate about golden retrievers and the family asks that, in lieu of flowers, memorials may be made to Golden Retriever Rescue of North Texas or St. Jude's Children's Hospital, where there is an account set up in her name: account number 11485587.

# 2018 Member of the Year

A special presentation is made each year to the Corvette Legends of Texas Member of the Year. The award was conceived by Larry Dyer to recognize a member or member couple who fully participate in club events and drive, display and enjoy their Corvette. Currently elected officers are not eligible. Our club survives on many members, who put a lot of effort into planning events, keeping things running, and reaching out to our members and other Corvette owners. This Award acknowledges just one of many who are deserving each year.

## Linda Deneault

Linda Deneault has been an important part of Corvette Legends of Texas from its beginning in 1997. Her first official duty with the club was to greet new members and make sure they knew they were welcome in our club.

She's the go-to person for EVERYTHING the club has needed over the years. She served as Secretary for 16 years, stepping down in 2016. She continues to back up the Secretary and Treasurer at meetings, whenever needed, and is the "official" full-time Assistant to the President. She also fills many other temporary needs that arise.

Linda managed the "Lady Legends" drawing at meetings for many years, in addition to making sure there was an appropriate gift to reward the gals for attending the meetings with the guys. Annually she has supplied the breakfast items for the State Fair of Texas exhibit for club members.

# 25th Corvette Museum Anniversary Caravan and Post Museum Trip

Legends members participating in the Anniversary Caravan to the Museum have decided on two approaches to the trip.

One group will participate in the **Overall Corvette Caravan** to the Museum and many of the activities associated with the Anniversary in and around Bowling Green.

A second group will include Legends members who have participated in previous caravans to the Museum and are primarily interested in the **Post Museum Trip**. The two groups will join up in Nashville at the conclusion of the Museum activities to begin the post museum trip. Trip planning for both groups will occur over the next several months.

Members who plan on joining the **Overall Corvette Caravan** are reminded to pre-register at [www.corvette-caravan.com](http://www.corvette-caravan.com) and to make hotel reservations in Little Rock and Nashville as recommended in the January

Legends Newsletter.

The **Post Museum Trip** group should also make reservations in Nashville for Friday, August 30th.

A trip planning meeting for all participants will be scheduled for the 3rd or 4th weekend of February. Contact Larry Dyer 972-922-5175 or Bill Tichy 214-770-6679, if you have any questions or would like to be added to the participant list.
