Legends Fundraising at Pate Swap Meet

Pate Swap Meet once again generously donated space right at the main entrance for a Patriot Paws booth at Texas Motor Speedway. Legends members are needed to man the booth in shifts Thurs., April 25-Sat. April 27. Contact Bill Preston, 405-412-0502 to sign up to work a shift to collect donations for and tell the attendees about our selected charity, Patriot Paws Service Dogs.

**Corvette Legends of Texas
General Meeting**

Sat., Feb. 9, 2019-Outback Steakhouse, Plano

The Members of Corvette Legends were called to order by Sam Deneault, President, at 12:15pm. The Minutes were approved.

A Moment of Silence was observed in recognition of two members who are no longer with us: Ben Hassan, Jr. and Susan Conte.

Before proceeding with the meeting, Dan Jacobs conducted an auction of car memorabilia (model cars, posters, magazines) donated by Jim Jenkins. As a result, \$155 was raised and given to Patriot Paws.

New Members: Hank Sokol & Don Dawson

Guests: Philip Joseph, Nick Duva, Alex Duva, Ernie Verico, Rob Liguori

Lady Legends Winner: Julia Kelsey

50/50 Pot Winner: Len Woodruff (\$54)

Diane Preston assured everyone that the Newsletter was in the mail—it was late coming from the printer and also seems to be hung up in the post office in some areas. Please be sure to open the newsletter, because there is an addendum page for the Directory inside. Also – always looking for members' Corvette stories to publish in the Newsletter.

Len Woodruff reported that the club now has 133 members.

President Deneault reminded everyone to celebrate Valentines Day. Susan Joseph provided information on a special offer for Valentines Day at her Rocky Creek Candle Company.

Joel Joseph is open to suggestions for future Club meeting venues. The March meeting will be at Patriot Paws, and members must see Bill Preston to pay \$10 in advance for the lunch, which will be catered. Parking will be at a premium, so plan to arrive early.

Jerry Echols has six cars registered to participate in the Autorama February 15-17. Move-in will be on February 14. He also passed around a sign-up sheet for the March 27-31 Dallas New Car Show—need about 20 cars from our Club to display.

An April dinner cruise to Bridgeport is being planned

John Cantleberry, Nick Bernier and Herb DuPlant hope to win the 50/50 pot. But they didn't.

by Mary Jean Entrekin. Initially she was working on April 20, but that conflicts with the Hot Springs show, so it may be put off a week.

Ken Dobbs has been asked to lead club members going to the Hot Springs show. See the Newsletter for latest information on the August tour to the Corvette Museum being planned by Bill Tichy and Larry Dyer.

We very much appreciate the e-mail notices being sent out by Denise Iverson. Contact her if you are not receiving them. Also notify her if you change your e-mail address.

The NCRS National Convention will be July 14-19 in Greenville, SC.

Bill Preston provided further information on the March Legends Meeting at Patriot Paws. Also he had a handout on how to register your rewards cards at local businesses, so a portion of your purchase benefits Patriot Paws. There will be a Patriot Paws booth at the April 25-27 Pate Swap Meet, and help will be needed to man the booth those days to collect donations.

Sixty-six members attended the After Holiday Party at the Hilton Garden Inn. Tom Atchison has already booked the same place for next year's party. Tom also reported that Huffines Chevrolet has the new Chevrolet Spark available.

Meeting adjourned at 12:45pm.

BUC-EE'S in Denton Has Ethanol-Free Gas!

The new store in Denton has been open a few weeks and has Ethanol-Free gas at every pump. And the bonus is that it's **92 octane!!!**

It is located at 2800 S. I-35E on the west side of I-35 between Hwy 288 and State School Road. Highway construction is underway in that area, so access is subject to change from day to day.

The other BUC-EE'S locations around the edges of Metro DFW do not have Ethanol-Free gas. The Texas locations that do have it are in Bastrop, Brazoria, Clute, Katy, Lake Jackson and Waller (all further south in Texas).

I'll remind you to use my favorite phone application: **Pure-Gas.org**, to locate stations that sell Ethanol-Free gas anywhere in the US or Canada. As you're going down the road, it will give you the nearest station reported to sell it. You can also go on line to access a full list of stations.

2019 Autorama

Hubberts' Red 1962 and Nick Bernier's Red/White 1957

Corvette Legends of Texas had a display of six early model Corvettes in Dallas Autorama, February 15-17. Jerry Echols made all of the arrangements for the display as he has done for many years. In the club display were: Nick Bernier's Red/White 1957, Lee & Jo Ann Brumit's Yellow/White 1958, Rocky & Chris Rainbolt's Black/Silver 1959, Joe & Kathryn Mulsby's White/Silver 1960, Dennis Conte's Jewel Blue/White 1961, Tom & Cathy Hubbert's Red 1962. Many spectators noticed that we had consecutive years from 1957-61 represented in our display. Great job!

Other members' cars were also on display in the huge show. Lee & Jo Ann Brumit's Silver 1967 Coupe and Matt & Darlene Tidwell's White/Silver 1961 were displayed with the Lone Star Corvette Club. Jim & Mary Deaton's 1966 Nassau Blue Convertible and Mike & Sissy Benedetto's 1963 Navy Blue Convertible shared an exhibit space right next to the Legends display. Bill & Diane Preston's 1956 Pearlescent Ivory Chevy Nomad was displayed with the Dallas Area Classic Chevs.

Very likely there were other Legends members' cars there that I didn't get to see. If so, let me know.

Remember! New Car Show at the Dallas Convention Center, March 27-31, has room to display a LOT of Legends' Corvettes. Sign up with Jerry at 214-843-5454 or JerryHE2006@aol.com. See details on page 3.

The Five Weirdest Things You Didn't Know About the Fastest Chevy Corvette

The 2019 Chevrolet Corvette ZR1 is completely awesome, a 755-hp racetrack-slaying scythe of a car.

The last Corvette ZR1 was generally noted for being more user-friendly than the Z06, that is the ZR1 felt less hard-core despite its extra horsepower. Not this one. No, this ZR1 reminds you, every chance it gets, that it's basically a race car. Driving on a cold road, even a dry one, is like driving a normal car on ice. You'll spin the tires trying to merge at highway speeds. Every driveway and parking lot entrance requires entering at a crazy diagonal angle so as not to grind the front splitter on the pavement. Still, you get to enjoy the sight of other Corvette drivers stopping to stare at the apex predator.

You probably could have guessed some of that. So lets answer a few ZR1 questions you might not have considered before.

What's the ZR1's top speed ... in first gear?

The actual top speed is 212 mph, as verified in Papenburg, Germany. (That was the two-way average-the ZR1 hit 214.88 with a bit of a tailwind.) But even first gear is silly.

I merged onto the highway in first gear. Then I pulled out into the passing lane and overtook a car-still in first. I held it down until the 6.2-liter V-8 softly nudged its rev limiter at 66 mph. So there you have it: 66 mph in first gear, as shown by the onboard Performance Data Recorder.

How do you use the hatch when that big rear wing is right there?

Very carefully! Often-times a spoiler will be mounted to a hatch or trunk lid and move with it when you open it up. Not the ZR1's adjustable high wing,

part of the ZTK Track Performance Package. This one's mounted behind the rear decklid and tied into the chassis. That makes for some challenging luggage-loading episodes, because the open decklid will almost touch the front edge of the wing.

You have to lift it from the side or you'll smash your fingers. Alternately, you can just load your cargo (which will be modest, anyway) from inside the car, since the luggage area is right behind you.

How are the Michelin Pilot Sport Cup 2s in the rain?

This is not a rain tire. It's not even a slightly-chilly-outside tire. It's essentially a race slick, and a warm-weather one at that. Unless these tires are warm, you need to treat the ZR1 like it's rolling on supermarket-shopping-cart casters.

But if they are warm and new, there's nothing like them. And there's not much in between. I remember that when Dodge introduced the last Viper ACR, the SRT engineers referred to the Pilot Sport Cup 2 as "a qualifying tire." Which they didn't mean as a compliment, but kind of is.

This tire is not worn out. It's brand new and it's supposed to look like that.

Why are there steering wheel shift paddles on a car with a manual transmission?

Because GM wanted to build only one steering wheel, regardless of the transmission. But there's another reason: they're also there to give you a way to activate or deactivate the automatic rev-matching feature on downshifts.

Pull one of the paddles and the gear-position indicator in the gauge cluster turns yellow. That means you're calling for perfect throttle-blips on your downshifts.

Pull the paddle again if you want to turn the system off, hotshot.

Can you drive the ZR1 with the hood open?

Yes, you can. Because there's a huge hole in it. With the hood closed, it looks like a contiguous piece. But when you open it, you see that the big carbon section in the middle is actually the top of the supercharger assembly, hiding in plain sight.

So when you open the hood, it has a window. Plus, the hood is hinged at the front, opening away from you.

I'd have to say that the ZR1 has the best hood-open visibility of any car I've driven lately. That said, don't do that.

CARAVAN UPDATE

Legends members participating in the Anniversary Caravan & Post Museum Trip met Sunday, March 2 to discuss trip planning details. CLoT participants will meet up with the Central Texas Caravan at the WinStar Casino Tuesday, August 27th.

Several members have decided to only participate in the post museum trip and will be meeting the group in Nashville. The discussion included recent press speculation that the long awaited mid-engine C8 Corvette will formally be introduced during the Museum Anniversary Program activities.

Caravan and trip participants were reminded to register for the Caravan and make applicable hotel reservations. Contact Larry Dyer 972-922-5175 or Bill Tichy 214-770-6679 if you have any questions or would like to be added to the participant list.

Due to John Zachary's illness, Denise has constructed a new e-mail list, which may not include your recent changes. Let her know your e-mail.

30th Annual Lone Star Classic 2019

Schedule of Activities

Please see the event program for exact times

Friday – May 17th: While some of you are testing your skills at the Autocross, others will want to join Dawn Stokes with Total Driving Experience as she conducts seminars to help you gain Road Course knowledge for Sunday's Track Day. Or, you might want to join your friends for the fun-filled scavenger hunt, "Roamin' Roanoke." Participants will travel to downtown Roanoke, park in a Corvette only parking lot, and then go from store-to-store collecting clues for a variety of prizes. But whatever you do during the day, be sure you're at the Texas Motor Speedway no later than 5:00 pm, because at 5:15 pm, we'll head out on an escorted Cruise to the "Kick up Your Heels" BBQ at the Circle R Ranch. First, we will be led by the great folks at Texas Motor Speedway on a lap of the Oval Track and then head to the ranch via local roads. Local law enforcement officials will be escorting us. After parking in a Vette designated area, you'll enjoy a BBQ dinner (Open cash bar available), and socialize with your fellow Classic attendees.

Saturday – May 18th: The Show N Shine Car Show will be by Class with members voting on non-member cars and non-members voting on member cars. The Judged Car Show will be by class as well with judging done by experienced LSCC Club members (it is not NCRS level judging) who are looking primarily for cleanliness. Both Member and Non-Member Best of Show awards will be

given, as well as a Judges' Choice Award, along with several specialty awards and picks.

As always, our wide array of vendors will have lots of new items at great prices. Our Club sponsor, Classic Chevrolet, will have the latest models on display.. Christian Classic Cruisers will be playing old favorites from the '50's and '60's.

All activities at TMS will end at 3:00 pm to give you plenty of time to get ready for a fun-filled Saturday evening at the Marriott Hotel.

Saturday Evening: Starting off with Happy Hour, we'll serve a plated dinner. The Live Auction will feature our old friend and long-time auctioneer, Weldon Floyd. As in the past, there will be several activities occurring at the same time after the Live Auction. For those entered in the car shows, awards will be presented in the Main Ballroom, starting with Special Awards. The Silent Auction in rooms across from the Main Ballroom will continue until approximately 9:30 pm. A cash bar will be available for those who want to meet and greet old friends.

Sunday – May 19th: It's Track Day, with lots of 'Vette driving activities. Enjoy some laps around the TMS Oval Track or head to the Road Course to test your driving skills, or do both! You can also enjoy the antics of our special "Golf Cart Derby."

Pre-Register on line or at the event for \$20 late fee.

Ben Hassan Jr.

Oct. 7, 1947-Jan. 31, 2019
Ben "Mickey" Hassan, Jr. was born in Philadelphia, PA and was a long time resident of Plano, Texas. He graduated from UT at Dallas and became a CPA. Ben is survived by his loving wife, Margarita and many loving family members. He is preceded in death by one son

Alexander Sean Hassan.

Ben's love of classic sports cars, rock and roll, bowling, and affection for his pets was evident, second only to the love and devotion he had for his family. An avid bowler, Ben was a long time board member of the Dallas Bowling Association and enjoyed sharing his passion for the sport with many in his community. He was a member of the Corvette Legends of Texas and The Texas MG Register (TMGR) for many years. Ben will be remembered by his kindness, gentle spirit, and the loving manner in which he lived and loved.
