The Corvette Z06 Convertible Will Pace the 107th Indianapolis 500

The Indianapolis Motor Speedway and Chevrolet announced on Tuesday that the 2023 Corvette Z06 Convertible will be pacing the Indianapolis 500 on Sunday, May 28th, making it the 20th time a Corvette has led the field for the "Greatest Spectacle in Racing!"

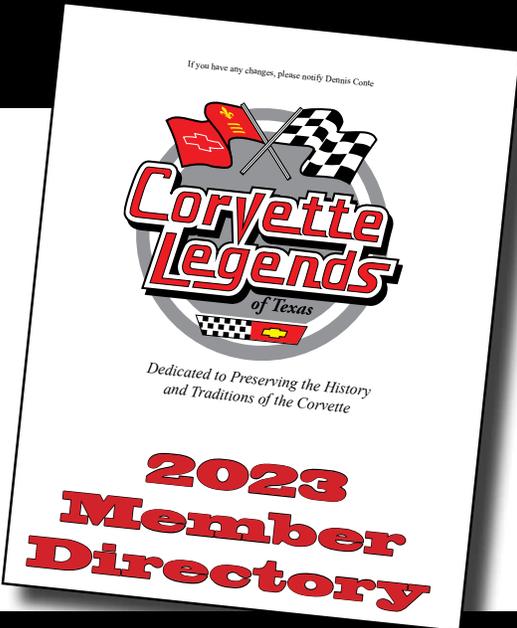

"As we celebrate the rich history of the Corvette Pace Car at IMS, it's amazing to see the evolution of these cars on and off the track," IMS President J. Douglas Boles said. "The hardtop convertible on the 2023 Corvette Z06 is just another example of the Chevrolet innovation that translates from track to street."

The Pace Car is finished in Red Mist Metallic with two-tone Jet Black and Sky Cool Gray interior with Red seat belts. The Pace Car features a unique graphics package, Tech Bronze forged aluminum wheels, and the car has Carbon Flash Black Nacelles and roof. The emergency track lights are built into the Convertible's rear-facing nacelles.

"We are honored to be pacing the 107th running of the Indianapolis 500 with the Corvette Z06 convertible," Scott Bell, Global Chevrolet vice president said in a release. "Chevrolet and IndyCar share the same spirit of competition, and we are proud the Z06 will lead the pack across the bricks at Indianapolis Motor Speedway."

#1 Best Dessert in Ride Texas Magazine

We will stop for lunch Friday at the Koffee Kup Family Restaurant, a Texas landmark located at the junction of Highway 6 and Highway 281 in central Texas. The Koffee Kup is a world famous stopping point for locals and travelers alike. The Koffee Kup is a total "non-smoking" restaurant and offers three separate dining areas, a complete breakfast, lunch and dinner menu and seating for 116. Baking is a specialty at the Koffee Kup. Donuts and breads are customer favorites, but it's our PIES that are talked about the most. Our delicious flavors are baked fresh in our own kitchen. The Koffee Kup offers everything from Coconut and Peanut Butter with tall Meringue to Black Forest and Banana Blueberry and Doctor's Office Icebox pies. Whole pies or slices to go. Whichever pie you order, we know you'll be back for more!

CORVETTE LEGENDS OF TEXAS GENERAL MEETING

May 13, 2023,

Spring Creek BBQ, Richardson

The Members of Corvette Legends were called to order by President, Sam Deneault, at 12:21 pm. Minutes of the previous meeting were approved. Attendance was 45.

Lady Legends Winner:

Mary Jeanne Entrekin

50/50 Pot Winner: (\$50) Bill Preston

We started with a quick reminder from Dennis that our club dues have increased to \$40.

Kimberly Atchley spoke of the North Texas Water Garden Society pond tour happening June 10 and 11 in the DFW area. The tour includes 38 ponds including Kimberley's. See page 11 in this newsletter for info.

June 10 meeting is at Outback Steak House in Plano.

July 8 meeting will be at BJ's Brewhouse in Addison.

By a show of hands, everyone enjoyed the Detail Garage presentation at the last meeting. Len is always looking for guest speakers, maybe an insurance speaker, since we all need insurance. If you have anyone to suggest, please contact Len.

The Solid Axle Corvette Club (SACC) is having an old fashioned picnic summer event and has invited Legends members. It will be July 15 from 1-4pm at the Isabella Village HOA club house in Savannah, TX. (1402 S. Peach). There will be grilled burgers, hot dogs and corn on the cob. Soft drinks provided, BYOB. The club house has restrooms, indoor and outdoor seating so the weather shouldn't be a problem. Sounds like a good time!

Bill Foote and Jeff Clevenger are working hard on the plans for the Fredricksburg trip in November. Jeff has completed and driven the route to get there. Bill had a number of brochures from various places in the area for possible activities. Saturday afternoon a wine tour and tasting has been arranged by Dennis Conte's son Michael at the Pedernales winery where Michael works.

Jeff Clevenger will be looking into a club booth at the next Pate Swap meet. Jeff reports, 'You can sell anything there!' The show will be in April of next year. That will give everyone plenty of time to go through their garage looking for things to sell. He'll keep us posted as more information is available.

The NCRS National Convention will be July 23-27, 2023 in French Lick, IN.

The meeting was adjourned at 12:40 pm.

Week-day/ Weekend Wrench Coordinator

Joel Joseph

Legends has a new Wrench Coordinator. Joel Joseph has retired from his "paying" job and is taking over the scheduling of members to work on each other's Corvettes. Traditionally members who are mechanically inclined have volunteered to help each other with upkeep and repair of C1-C3 Corvettes.

In general, mechanical and electrical repairs on C4 and later Corvettes require equipment and knowledge that our members don't have. If you want help with your Vette, you're expected to work along side the volunteers and furnish lunch or dinner. Joel will establish where the work will be done.

Joel had served as VP of Operations for many years before "work" got in the way. Thanks to Ken Dobbs who has coordinated the Wrenches for many years.
