Dawgress Report

Hi, I'm Vette. I've been working with my Puppy Raiser down at Texas A&M and have learned so many new things. For example, I have mastered the cues "Side", "Get Back", "Say Prayers", "Fix It" and "Come" in just the last month. I've been a really busy boy.

My favorite things to do are to play tug, blow bubbles in my water bowl and play fetch. I could do that all day. I also love helping my Puppy Raiser feed the horses and going to Tractor Supply. Everyone is really nice there and I get lots of petting.

My Puppy Raiser says I am really smart and I just love being around her. However, she does say that I can be a bit stubborn and can be a little lazy from time to time. But Hey, I'm still a pup.

I just want to thank you so much for your support of Patriot PAWS and making it possible for me to be able to train to be a service dog some day. I am proud to be named after your club.

Weekend WRENCH

Jerry Echols, Sam Deneault and Len Woodruff working on Sam's Coupe.

Sam Deneault, Len Woodruff and Jerry Echols met at Ken Dobb's garage for a wrench. Sam wanted to replace the distributor on his 64 Corvette coupe. We pulled it out, changed parts from one to the other, installed, and timed it, all after eating fresh donuts and coffee. We went to lunch, had a really good hamburger, and a lot of good conversation. Then we went to Sam's and replaced a hood hinge on his 63 roadster. It was a fun day!

Sept. Meeting 11 am-Saturday, Sept. 14

La Hacienda Ranch, Carrollton

3300 I-35E North @ Frankford Rd.-(972) 323-5242

The new southbound connector/distributor system between the Sam Rayburn Tollway and the President George Bush Turnpike is open. This keeps traffic between the two toll roads from entering the southbound I-35E mainlanes. **Don't** take the connector to exit Hwy 121 @ I-35E to get to LaHacienda.

From the North--Take I-35E South to Frankford Rd. exit 446. Get in right lane of service road. Follow the ramp over the freeway and turn right at the light. Turn right at the stop sign at the northbound service road. Stay in the right lane and we are the big log cabin on the right.

From the South--Take I-35E North to Frankford Rd (exit 446). Stay in right lane of service road and we are the big log cabin on the right.

July Dinner Cruise

Len & Beth Woodruff's 78 Silver Coupe ready to go at the Valero.

We had a really good dinner cruise to Wildcatters Ranch Steak House on July 27th. We cruised through Boyd into Springtown, then a slight problem with Tom Lainsons car having an upper radiator hose come loose, so a slight delay. Several members stopped to assist. Woodruffs had a gallon of anti-freeze and several others had water to add after Dan Jacobs put the hose back on. We had to split up the cars as we had 17 cars so Tom Entrekin started out with nine and then the rest went with Bill Preston. We got separated a little, but Mary Jean gave really good directions so we all ended up at the ranch

at the same time. Tom Lainson and Sandy showed about 15 minutes later with applause all around. They had stopped at a station to get water for the radiator. This is the first time we have had a mishap since Mary Jean and Tom started with the dinner cruises.

Mike & Vicky Flugstad on their last dinner cruise before moving back to Minnesota.

Our cruise went through a lot more small towns on backroads taking approx two hours. It was worth it for the great scenery and a great day for weather.

The members in attendance were, Len and Beth Woodruff, Al and Barb Macdonald, Bill and Diane Foote, Don Eckhart and Denise Iverson, Tom and Mary Jean Entrekin, Dan and Brenda Jacobs, Al and Mary Anne Lisbona, Diane and Bill Preston, John and Carol Arakelian, Linda and Sam Deneault, Mike and Vicky Flugstad, Rick Mayberry, Dennis Conte, Tom and Sandy Lainson, Sharon and Craig Conde, Ken and Kathy Weller, Linda and Bob Rockett.

It was great to have 32 people, as Wildcatters opened their steak house early just for our group. We had great service and great food. This was our second Dinner Cruise to Wildcatters.

Weekend **WRENCH**

Corvette Legends

Guidelines and Agreement

The legends weekend wrench is a source of help for members who help each other by providing both knowledge and the skills needed to help in restoration and repair of other members Corvettes.

As such, members requesting help with a weekend wrench event should also be helping at other weekend wrench events.

The purpose is not free labor but sharing help, knowledge, ideas, and resources among our club members while enjoying each other's company and a learning experience for all.

The requesting member needs to be aware that more modern Corvettes require computer access and programs that Corvette Legends of Texas does not own or have access to. Therefore, some of those requests sadly may be denied.

The host accepts the responsibility of all liability on the car and property and holds Corvette Legends of Texas not responsible in any area.

The host shall have an adequate garage space and provide all tools to prevent lost tools.

The host shall have the project ready for commencement of work with parts readily available and organized.

Not lurking away on hidden shelves or inside unmarked boxes as in storage.

The host shall have any available assembly manuals, electrical wiring diagrams, and other aids available to assist the members to do the job correctly.

The host shall provide a breakfast of some form for those attending. This doesn't need to be a full blown breakfast, but can range upward from coffee, water, and donuts.

The host is not required, but it is suggested that if the weekend wrench extends past the hour of 1:00 PM provide a small lunch. Suggestion, a local What-A-Burger, etc.

All gasoline cans and tanks shall be sealed and not close to the work area.

Incident weather will lead to cancellation of any weekend wrench events.

A member, who has previously helped on a weekend wrench event, may apply for a weekend wrench by completing this form and delivering to the weekend wrench coordinator for review.

The project needs to be reviewed for our ability to actually be in a position to help and to check conflicts with dates and prior scheduled events. An answer will be provided within a week after review and approval.

I hope these guidelines meet your requirements and we can help. If you agree to the above please complete the form and turn it in at your earliest convenience.

Thanks,

Ken Dobbs, Weekend Wrench Coordinator

August Meeting

Great weather brought out lots of members and lots of Corvettes to the meeting at Outback Steak House

Joe & Kathryn Maulsby and Kimberly & Ed Atchley

Jeff Sebert shows off his "new" 1966 coupe to Tom Entrekin

Al Macdonald and Mark Elliott look over John Spencer's Red 55

Long-time members Linda & Gerry Boren drove in from Idaho to attend a meeting!

Corvette Legends of Texas General Meeting August 10, 2019 at Outback Steakhouse, Plano, TX

The Members of Corvette Legends were called to order by vice-president, Joel Joseph at 12:10 pm. The minutes of the previous meeting were approved.

Special Guests: Jerry & Linda Boren members from ID

Lady Legends Winner: Barbara Echols

50/50 Pot Winner: Len Woodruff (\$54)

Both President, Sam Deneault, and Newsletter Editor, Diane Preston were absent – everyone noticed and wished them the best.

Len Woodruff again circulated a copy of the current directory for members to indicate any information that needs to be updated before the new directory goes to press. Len also reported that the club has 128 members, and gave a generation breakout of club cars: C-4 is least represented with 12 and C-1 is best represented with 42!

Joel Joseph introduced member, Len Woodruff, who gave a presentation on *How To Put 40 Cars In A Two-Car Garage*. He gave a history of his interest in building model cars, their authenticity at 1/25th scale, what is involved in the production and how long it takes. He had models on display—you could look, but don't touch! Sounds like a good article for a future Newsletter!!!!

Future club meetings:

Sept.14–LaHacienda Ranch, Carrollton

Oct.12–Wild Salsa, Fairview (tentative)

The Club will participate in the Texas State Fair on Sept.29. Jerry Echols reported that 21 cars have signed up so far, and there will be space for 25-30 cars. We will be in the Corral with Lone Star Miata Club.

Mary Jean Entrekin has arranged the next dinner cruise for August 24 to Bebo's Cafe to Pilot Point/Aubrey. The Macdonalds will host a dinner cruise at their house on September 21.

Those caravanning to the 25th Anniversary Corvette Museum celebration met at the conclusion of the meeting for a brief discussion.

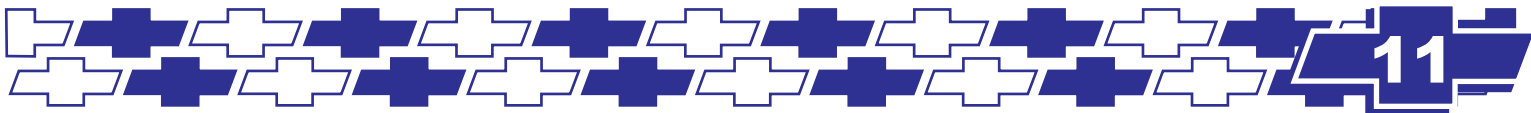

Weekend Wrench projects coordinated by Ken Dobbs have been mostly completed. Ken provided useful information for all car owners: Keep a tablet/notebook in the glove compartment of your car and record everything done for maintenance and repair. Time flies, and too often we forget exactly when new tires were purchased, oil changed, etc.

The club is especially appreciative of the e-mail communications that Denise Iverson is providing.

Tom Atchison confirmed the date for the After Holiday Party as January 18, 2020 at the Lewisville Hilton Garden Inn. He assured members that there will be a larger dance floor. Huffines has already sold four C-8's, although none have been delivered yet.

Meeting adjourned at 12:55 pm.
